

Professional Summary

Full Stack Developer with hands-on experience in designing and developing scalable web applications using React.js, JavaScript, and backend technologies. Strong understanding of RESTful API development, authentication mechanisms, and relational database design. Familiar with Node.js and GraphQL fundamentals, with the ability to quickly adapt to new technologies.

Technical Skills

- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap
- **Backend:** Python (Flask), Node.js (Basics), REST APIs, JWT Authentication
- **API Technologies:** REST, Basic GraphQL Concepts
- **Database:** SQL, MySQL, SQLite
- **Tools:** Git, GitHub, Postman, VS Code

Professional Experience

Associate Software Engineer Serenus Technologies Solutions	Mar 2025 - Apr 2026
• Developed 12+ reusable React.js components, improving UI consistency and reducing duplicate code. • Designed and implemented RESTful APIs with optimized SQL queries for better performance. • Implemented JWT authentication and role-based authorization for secure access control. • Collaborated with teams to deliver feature enhancements and resolve frontend/backend issues. • Contributed to debugging and stable production releases.	

Projects

Employee Management System (Full Stack)

- Developed an employee management application with role-based access control.
- Built REST APIs integrated with React frontend using Axios.
- Used SQLAlchemy ORM with MySQL and implemented authentication.
- Ensured secure API design with JWT-based authentication
- Optimized database queries to enhance responsiveness and data retrieval efficiency

E-commerce Product Management System

- Developed reusable React.js UI components and dynamic cart functionality.
- Implemented dynamic cart functionality and state management.
- Applied component-based architecture for scalability and maintainability.

Education

Rajiv Gandhi Institute Of Technology, Bangalore Bachelor of Engineering (Computer Science) Grade: 75%	2023
Varthur Government Pre-University College Grade: 66%	2019
Sri Ranganatha Rural High School Grade: 78%	2017

Certifications

- Python Certification
- SQL Certification
